F2 Manager

Release note

Version 1.90.5

F2 Manager version 1.90.5 release note

Dear F2 user,

Welcome to release note 1.90.5 for cBrain F2 Manager. In this version we have made improvements and fixed certain bugs in F2 Manager.

A summary of new and/or updated functionality and bug fixes is presented below.

- Fixed a bug that prevented the sending of logs from "Settings" in the notification list.

- Fixed a bug that prevented chats on an approval from being cleared when the approval was removed from F2 Manager. The error occurred for the last approval in the app.
